## PORTA LISA TRAILER RENTALS

### Porta Lisa | Step Up Into Luxury

The Porta Lisa restroom trailer is the ultimate luxury rental solution for your special event, wedding or corporate outing. Hand crafted with the finest luxury amenities, this restroom trailer is the cornerstone your event deserves!

### Exceeding Expectations

Designed from the ground up in luxury, the Porta Lisa combines the best of luxury restroom amenities into one deliverable package.

### Spacious Interiors

The floorplan of the Porta Lisa allows this restroom trailer rental to have a small overall exterior footprint, yet yield large, spacious interiors.

### Wedding Ready

The Porta Lisa was designed for your wedding in mind. Accessible stairways, low access heights, and non-slip floors makes this restroom trailer a perfect fit.

### Solar Powered

Ready for Mother Nature, the Porta Lisa has the reassurance of solar power. If your event loses power, rest easy your event can continue uninterrupted.

## Additional Specifications

### Solar Powered

The Porta Lisa has the reassurance of solar. If your event does not have power, or loses it, rest assured that the essentials are covered.

### Weather Package

The Porta Lisa is equipped to be used during all weather types, year round.

### Day or night

Day or night, the Porta Lisa is great for any event, at any time.

### Power

110V, 20A is required for use of all features. One dedicated power outlet is recommended. We will supply extension cords.

### Dual Rentals

We Recommend one Porta Lisa for 6-8 hour events serving up to, but no greater than, 200 people. Having a longer event, more people or both? No problem. Just ask us about dual rentals.

### Onboard Water

With 75 gallons of onboard water, The Porta Lisa does not need a direct water source.
